**Ritz Carlton launch The Residences at the Ritz Carlton Herzliya, 82 super luxury apartments built on the Mediterranean coast in Israel**

Built on a prime sea location, often referred to as the pearl of Israel's real estate. The Residences at the Ritz-Carlton, Herzliya designed by Studio Gaia (W Hotel in Mexico and Seoul) and architect Ranni Ziss; creating exclusive luxury holiday residences ideal for overseas buyers. The Residences close proximity to "Israel's silicon valley," multinational corporations and 10 minute drive from the lively cultural scene and nightlife of Tel Aviv, presents overseas buyers with an opportunity to combine business and pleasure. The Residences will be under the management of the Ritz-Carlton, ensuring luxury and hospitality of high international standards.
